

Committee on Standardization
T. Austin Campbell, Chair

Gary Bauchan reported that Austin Campbell plans to step down as the current committee chair. This past year a new standardized test was approved by the NAAIC executive board for Brown Root Rot Resistance. Amendments to the Potato Leaf Hopper Test and Winter Survival Test were discussed. It was moved by Gary Bauchan to accept the amended changes, seconded by John Caddel, and the motion approved by voice vote. The new standardized tests for Brown Root Rot Resistance, Potato Leafhopper Resistance and Winter Survival are available at the NAAIC web page, www.naaic.org. There is a new standardized test being proposed for wheel traffic. David Johnson, Cal/West Seeds, RR 1, Box 70, Country Rd. M Co.
